Collectively referred to hereinafter as the “Universities” and each as “University”.

Whereas:

1. The Universities wish to develop academic exchanges and cooperation in teaching and research in furtherance of the advancement and dissemination of learning.
2. The Universities wish to co-operate to promote, facilitate and implement co-operation in the following programmes and activities.

NOW, THEREFORE, for and in consideration of their mutual promises and undertakings, the Universities agree as follows:

ARTICLE 1
PURPOSE AND OBJECTIVE

(1) The purpose of this MOU is to establish a framework within which co-operation may develop between the Universities. This will occur within the context of the regulations and policies of each University, and subject to the availability of resources.
(2) The objective of this MOU is to strengthen ties between Universities and to promote academic cooperation and to further cultural understanding in both countries.
(3) The Universities wish to collaborate in order to benefit their research and teaching activities in management, and to further the internationalization of both Universities.

ARTICLE 2
AREAS OF COOPERATION

The Universities agree to the following goals and objectives in order to initiate the international partnership programmes:
(1) Exchange of scientific, academic, and technical information and appropriate academic materials and other information of mutual interest;
(2) Academic exchanges, including mutual visits of faculty and school members to pursue research and to lecture, and student exchanges on a reciprocal basis;
(3) Identifying opportunities for exchanges and cooperation and joint research and development in disciplines of mutual interest and produce collaborative research academic papers;
(4) Identifying opportunities for commercialization of technology; and
(5) Organization and participation of joint academic and scientific activities such as seminars and conferences.

ARTICLE 3
ARRANGEMENTS AND FUNDING

(1) To implement the collaborative activities envisaged under the MOU, representatives of the Universities may meet periodically to negotiate and conclude project agreements and programmes of cooperation, which meetings may include negotiations regarding the financing of such project agreements and programmes of cooperation. Prior to final agreement and the implementation of any projects or academic programmes arising from this MOU, the Universities must obtain the agreement in writing of their respective finance departments.

(2) The financial arrangements, rights to intellectual property and arrangements regarding publication of articles arising out of each project agreement and programme of cooperation will be in accordance with formal agreements to be entered into in respect of each project agreement and programme of cooperation.
