You could tell that a big effort has been made to bring the visitors the Indonesian culture closer. Everyone was extremely friendly and helpful. I especially liked the delicious original Indonesian food that was diligently prepared and nicely presented. Also the photo booth was a creative idea to engage visitors with Indonesian customs. I can encourage everyone to attend a similar event in the future!”</i> (Semia, Swiss)</p> <p><i>“It was fun, with tasty Indonesian food. The music workshop was interesting.”</i> (Sarah, Inggris)</p> <p><i>“I really enjoyed it. I loved the dresses we were allowed to wear. I liked the drum invention (baca: gamelan) that you can record the sounds too. Really nice.”</i> (Jide, Nigeria)</p> <p><i>“Actually I attended some internal events, but Indonesia was the best! Because I learned many kinds of things about your country! I can see and touch Indonesian music instruments and bags and clothes well and enjoyed coffee! And the most important is... I can enjoy your event for almost free... I felt other events focused on earning money and asked me to pay for the events, but I didn't have money so much so I cannot enjoy them well. But yours was different. I think it is important when you target students as customers...”</i> (Kotomi, Jepang)</p> |
| <p>Komentar dan saran perbaikan untuk kegiatan sejenis selanjutnya:</p> | <p>Sebaiknya kegiatan <i>movie screening</i> diganV dengan kegiatan lain karena mayoritas pengunjung lebih suka <i>mobile</i>.</p>  |
